Rainbow Children's Medicare Limited commences a new 100 bed hospital at Financial District, Hyderabad, Telangana

- Further strengthens company's network at Hyderabad, now offering combined 830 beds at Hyderabad under hub-and-spoke model
- 100 bed facility, will provide consultant led 24X7 emergency care in pediatrics and obstetrics, outpatient services and level 3 Neonatal and Pediatric intensive care services

Hyderabad, March 1, 2023: Rainbow Children's Medicare Limited (RCML), India's leading pediatric multi-specialty hospital chain announced the commencement of its latest hospital at Financial District, Hyderabad. This is Rainbow's 7th hospital in Hyderabad and is strategically located in the rapidly growing financial district of Hyderabad. With this development the company is further strengthening its presence and reaching a cumulative bed strength of 830 beds in Hyderabad. The new hospital has been envisaged as a large spoke hospital and will form an important part of the Rainbow network in Hyderabad. This hospital will provide comprehensive pediatric and obstetrics services which includes consultant led 24X7 emergency care in pediatrics and obstetrics, outpatient services and level 3 neonatal and pediatric intensive care services. The hospital will complement the services offered at the Hub hospital at Banjara Hills, Hyderabad.

RCML is working incessantly to strengthen its service offerings to achieve its goal of providing quality pediatric healthcare across cities. The company's plan to add 1000 beds in the cities of Hyderabad, Bengaluru, Chennai, National Capital Region and Tier-2 cities of Andhra Pradesh and Tamil Nadu over the next 5 years remains on track.

Commenting on the development, Dr. Ramesh Kancharla, Chairman & Managing Director, Rainbow Children's Medicare Limited (RCML) said, "With the addition of our 7th hospital at Financial District, Rainbow Children's hospital has strengthened its presence in Hyderabad. The hospital will further augment our hub and spoke model to offer superior care for children and women. In keeping with the brand ethos, the facility has been designed with child centric environment and soothing interiors to make it appealing to children. This hospital will provide comprehensive pediatric and obstetrics services and complement the service offerings of our Hub hospital at Banjara Hills, which is already ranked as a premier hospital for pediatrics in the city of Hyderabad."

About Rainbow Children's Hospitals:

Rainbow network comprises of 16 hospitals and 3 clinics in 6 cities, with a total bed capacity of 1,655 beds. Our Pediatric services under "Rainbow Children's Hospital" include newborn and pediatric intensive care, pediatric multi-specialty services, pediatric quaternary care (including organ transplantation); whereas our women care services under "Birthright by Rainbow" offers perinatal care services which includes normal and complex obstetric care, multi-disciplinary fetal care, perinatal genetic and fertility care along with gynecology services.

Rainbow Children's hospital built on strong fundamentals of multidisciplinary approach with a full-time consultant led clinical service along with 24/7 commitment in a child centric environment. The company follows a hub-and-spoke operating model where the hub hospital provides comprehensive outpatient, inpatient care, with a focus on tertiary and quaternary services while the spokes provide emergency care in pediatrics and obstetrics, large outpatient services and comprehensive obstetrics, pediatric and level 3 NICU services. This model is successfully operational at Hyderabad and is gaining traction in Bengaluru. The endeavor is to replicate this approach in Chennai and across the National Capital Region. Subsequently Rainbow intends to expand into tier-2 cities of Southern India.

Rainbow embraces a unique doctor engagement model, where doctors work exclusively on a full-time, retainer basis. The doctors work in teams and have 24/7 commitment, which is particularly important for children's emergency, neonatal, pediatric intensive care services and to support pediatric retrieval services. The Company also operates the country's largest pediatric DNB training programme in private healthcare, offering post graduate residential DNB and fellowship programme.
