INDEPENDENT AUDITORS' REPORT

To the Members of Rainbow Children's Medicare Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Rainbow Children's Medicare Private Limited ("the Company"), which comprise the standalone balance sheet as at 31 March 2020, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone financial statements.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in Director's report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

B S R & Associates LLP

Rainbow Children's Medicare Private Limited
Independent Auditor's Report of the standalone financial statements (continued)

Management's and Board of Directors' Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.

B S R & Associates LLP

Rainbow Children's Medicare Private Limited
Independent Auditor's Report of the standalone financial statements (continued)

Auditor's Responsibilities for the Audit of the Standalone Financial Statements (continued)

- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account .
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

B S R & Associates LLP

Rainbow Children's Medicare Private Limited
Independent Auditor's Report of the standalone financial statements (continued)

Report on Other Legal and Regulatory Requirements (continued)

- e) On the basis of the written representations received from the directors as on 31 March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at 31 March 2020 on its financial position in its standalone financial statements - Refer Note 2.31 (A) to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The disclosures in the standalone financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these financial statements since they do not pertain to the financial year ended 31 March 2020.

(C) With respect to the matter to be included in the Auditors' Report under Section 197(16):

In our opinion and according to the information and explanations given to us, the provisions of Section 197 of the Act are applicable only to a public company. Accordingly, the matter to be included in the Auditors' Report under Section 197(16) is not applicable to the Company.

Rainbow Children's Medicare Private Limited
Annexure A to the Independent Auditor's Report to the Standalone financial statements

With reference to the Annexure A referred to in paragraph 1 in Report on Other Legal and Regulatory Requirements of Independent Auditor's report to the Members of Rainbow Children's Medicare Private Limited, ('the Company') on the Standalone financial statements for the year ended 31 March 2020, we report that:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets by which all the fixed assets are verified in a phased manner over a period of two years. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program certain fixed assets were verified during the year. No material discrepancies were noted on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deed of immovable property as disclosed in Note 2.1(a)(i) on property, plant and equipment to the Standalone financial statements, is not held in the name of the Company.

Amount in Rs. crores

Total number of cases (number of sale deeds)	Whether leasehold or freehold	Gross block as on 31 March 2020	Net block as on 31 March 2020
1	Freehold	3.31	3.31

- ii. The inventories have been physically verified by the Management at regular intervals during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noted on verification between the physical stocks and book records were not material.
- iii. The Company has granted unsecured loans to four companies covered in the Register maintained under Section 189 of the Companies Act, 2013 ('the Act').
 - (a) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the terms and conditions on which unsecured loans have been granted is not, prima facie, prejudicial to the interest of the Company.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, for the unsecured loans granted, terms and conditions with respect to repayment of principal and payment of interest are not stipulated. We are therefore unable to make specific comment on the regularity of repayment of principal and payment of interest.

The Company has not granted any loans, secured or unsecured to firms, limited liability partnership or other parties covered in the Register maintained under Section 189 of the Act.

- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of the loans given and investments made. Further, the Company has not provided any guarantees or security to the parties covered under Section 185 and 186 of the Act.

The Company has not accepted any deposits from the public within the meaning of provisions of Sections 73, 74, 75 and 76 of the Act and Rules framed thereunder.

Rainbow Children's Medicare Private Limited**Annexure A to the Independent Auditor's Report to the Standalone financial statements (continued)**

- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government of India for maintenance of cost records under Section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees' state insurance, Income-tax, Duty of customs, Goods and Services tax and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities though there have been slight delays in few cases. As explained to us, the Company did not have any dues on account of Cess.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Provident fund, Employees' state insurance, Duty of customs, Income-tax, Goods and Services tax and other material statutory dues were in arrears as at 31 March 2020 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no dues of Service tax, Goods and Services tax and Duty of customs which have not been deposited with appropriate authorities on account of any dispute. However, the Company disputes the dues in respect of Income-tax, Sales tax and Value added tax as set out below.

Name of the statute	Nature of the dues	Amount (Rs.)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income tax	7,589,400	Financial year 2016-2017	Commissioner of Income tax, Hyderabad
Income Tax Act, 1961	Income tax	1,613,600	Financial year 2018-2019	Commissioner of Income tax, Hyderabad
Andhra Pradesh Value Added Tax Act, 2005	Value added tax	3,924,529	Financial year 2014-2015	Commercial Tax Officer, Hyderabad
Andhra Pradesh Tax on Luxuries Act, 1987	Luxury tax	18,553,033 (8,304,243 is paid under protest)	Financial year 2010-2011 to 2013-2014	Commercial Tax Officer, Hyderabad

Rainbow Children's Medicare Private Limited

Annexure A to the Independent Auditor's Report to the Standalone financial statements (continued)

- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to any banks or dues to debenture holders as at the Balance sheet date. Further, the Company does not have any outstanding loans or borrowings from financial institutions and government.
- ix. According to the information and explanations given to us and based on examination of the records of the Company, the term loans obtained during the year were applied for the purpose for which they were obtained. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of such case by the Management.
- xi. The provisions of Section 197 read with Schedule V of the Act are applicable only to public company. Accordingly, the provisions of paragraph 3(xi) of the said Order are not applicable to the Company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, the provisions of paragraph 3(xii) of the said Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Section 188 of the Act wherever applicable, and the details of such transactions have been disclosed in the Standalone financial statements as required under Indian Accounting Standard (Ind AS) 24, Related party disclosures specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act, and accordingly to this extent, the provisions of paragraph 3(xiii) of the said Order is not applicable to the Company.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, provisions of paragraph 3(xiv) of the said Order is not applicable to the Company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transaction with the directors or persons connected with him. Accordingly, the provisions of paragraph 3(xv) of the said Order is not applicable to the Company.

B S R & Associates LLP

Rainbow Children's Medicare Private Limited

Annexure A to the Independent Auditor's Report to the Standalone financial statements (continued)

xvi. In our opinion and according to the information and explanation given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of paragraph 3(xvi) of the said Order is not applicable to the Company.

Annexure B to the Independent Auditors' report on the standalone financial statements of Rainbow Children's Medicare Private Limited for the year ended 31 March 2020.

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to standalone financial statements of Rainbow Children's Medicare Private Limited ("the Company") as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

B S R & Associates LLP

Annexure B to the Independent Auditors' report on the standalone financial statements of Rainbow Children's Medicare Private Limited for the year ended 31 March 2020 (continued)

Auditors' Responsibility (continued)

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial controls with Reference to Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies

1.1 Company overview

Rainbow Children's Medicare Private Limited ('the Company') was incorporated on 07 August 1998 as a private limited company under the Companies Act, 1956. The Company is primarily engaged in the business of rendering medical and healthcare services.

1.2 Basis of preparation

a. State of compliance:

The standalone financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standard) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rule, 2016 and other relevant provisions of the Act.

The standalone financial statements were authorised for issue by the Company's Board of Director on 10 July 2020.

Details of the accounting policies of the Company are included in note 1.3.

b. New and amended standards adopted by the Company:

The Company applied Ind AS 116 Leases from 1 April 2019 using the modified retrospective approach, under which the cumulative effect of initial application is recognised in opening retained earnings at 1 April 2019. Accordingly, the comparative information presented is not restated i.e. it is presented, as previously reported, under Ind AS 17. The details of the changes in accounting policies are disclosed below.

i. Definition of lease

Previously, the Company determined at contract inception whether an arrangement is or contains a lease under Ind AS 17. Under Ind AS 116, the Company assesses whether a contract is or contains a lease based on the definition of a lease, as explained in Note 1.3(h). On transition to Ind AS 116, the Company elected to apply the practical expedient to grandfather the assessment of which transactions are leases. It applied Ind AS 116 only to contracts that were previously identified as leases. Contracts that were not identified as leases under Ind AS 17 were not reassessed for whether there is a lease. Therefore, the definition of a lease under Ind AS 116 was applied only to contracts entered into or changed on or after 1 April 2019.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

ii. As a lessee

As a lessee, the Company previously classified leases as operating or finance leases based on its assessment of whether the lease transferred significantly all of the risks and rewards incidental to ownership of the underlying asset to the Company. Under Ind AS 116, the Company recognises right-of-use assets and lease liabilities for most leases – i.e. these leases are on-balance sheet. The Company decided to apply recognition exemptions to short-term leases. At transition, lease liabilities were measured at the present value of the remaining lease payments, discounted at the Company's incremental borrowing rate as at 1 April 2019. Right-of-use assets are measured at their carrying amount as if Ind AS 116 had been applied since the commencement date, discounted using the lessee's incremental borrowing rate at the date of initial application.

The Company used the following practical expedients when applying Ind AS 116 to leases previously classified as operating leases under Ind AS 17.

- Applied a single discount rate to a portfolio of leases with similar characteristics.
- Applied the exemption not to recognise right-of-use assets and liabilities for leases with less than 12 months of lease term.
- Excluded initial direct costs from measuring the right-of-use asset at the date of initial application.
- Used hindsight when determining the lease term if the contract contains options to extend or terminate the lease.

The lease payments for operating leases as per Ind AS 17 Leases, were earlier reported under cash flow from operating activities. The cash payments for the principal portion of the lease liability and its related interest is classified within financing activities. Payments for short-term leases, leases of low-value assets and variable lease payments not included in the measurement of the lease liability are presented within operating activities.

c. Functional and Presentation Currency

These standalone Ind AS financial statements are presented in Indian Rupees (INR in crores), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest crore, unless otherwise indicated.

d. Basis of measurement

The standalone Ind AS financial statements have been prepared on historical cost basis except for the following items

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

e. Use of estimates and judgements:

In preparing these standalone Ind AS financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Changes in estimates are reflected in the financial estimates in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

Judgments

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognised in the standalone Ind AS financial statements is included in the following notes:

- lease classification [Note 2.35]

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- recognition of deferred tax assets: availability of future taxable profits against which tax losses carried forward can be used. [Note 2.30(d)]
- measurement of defined benefit obligations; key actuarial assumptions. [Note 2.33]
- Useful life of intangible assets. [Note 2.1(b)]
- Impairment test of non-financial assets; key assumptions underlying recoverable amounts including the recoverability of expenditure on internally generated intangible assets.
- Impairment of financial assets. [Note 2.45]
- recognition and measurement of provisions and contingencies; key assumptions about the likelihood and magnitude of an outflow of resources. [Note 2.31]
- Useful life of property, plant and equipment. [Note 2.1(a)]

f. Current / Non current classification

All assets and liabilities are classified into current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

Assets

An asset is classified as current when it satisfies any of the following criteria:

- i. it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is expected to be realised within 12 months after the reporting date; or
- iv. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- i. it is expected to be settled in the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is due to be settled within 12 months after the reporting date; or
- iv. the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

g. Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

g. Measurement of fair values (continued)

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into a different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in measuring fair values is included in the following notes:

- Financial instruments [Note 2.45]

1.3 Significant accounting policies

a. Financial Instruments

i. Recognition and initial measurement

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii. Classification and subsequent measurement

Financial assets:

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

a. Financial Instruments (continued)

ii. Classification and subsequent measurement (continued)

Financial assets (continued)

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities:

Financial liabilities are subsequently carried at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit and loss. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Investment in subsidiaries, joint venture and associates:

Investment in subsidiaries, joint venture and associates is carried at cost in the financial statements.

iii. Derecognition

Financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities:

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

b. Property, plant and equipment

i. Recognition and measurement:

Items of property, plant and equipment are measured at cost (which includes capitalised borrowing costs, if any) less accumulated depreciation and accumulated impairment losses, if any. The cost on item of property, plant and equipment comprises its purchase price, taxes, duties, freight and any other directly attributable costs of bringing the assets to their working condition for their intended use and estimated cost of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials, direct labour and any other costs directly attributable to bringing the item to its intended working condition and estimated costs of dismantling, removing and restoring the site on which it is located, wherever applicable.

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognised net in the statement of profit and loss.

ii. Subsequent costs:

The cost of replacing a part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit and loss as incurred.

iii. Depreciation:

Depreciation on property, plant and equipment (other than for those class of assets specifically mentioned below) is calculated on a straight-line basis as per the useful life prescribed and in the manner laid down under Schedule II to the Companies Act, 2013 and additions and deletions are restricted to the period of use. If the Management's estimate of the useful life of a property, plant and equipment is different than that envisaged in the aforesaid Schedule, depreciation is provided based on the Management's estimate of the useful life. Pursuant to this policy, depreciation on the following class of property, plant and equipment has been provided at the rates based on the following useful lives of property, plant and equipment as estimated by Management which is different from the useful life prescribed under Schedule II of the Companies Act, 2013:

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

b. Property, plant and equipment (continued)

iv. Depreciation (continued)

Description	Useful life (in years) by management	Useful life (in years) under Schedule II of the Act
Medical equipment*	7 years	13 years
Plant and equipment	15 years	15 years
Office equipment	5 years	5 years
Vehicles*	5 years	8 years
Computers	3 years	3 years
Furniture and Fixtures	10 years	10 years

*For these classes of assets, based on technical evaluation, the Management believes that the useful lives as given above best represents the period over which management expects to use these assets. Hence, the useful lives of these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Leasehold Improvements are amortised over the period of lease or the estimated useful life, whichever is lower.

Individual assets costing Rs. 5000 or less are depreciated fully in the year of purchase.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively.

- v. Capital work-in-progress includes cost of property, plant and equipment under installation/ under development as at the balance sheet date.

c. Intangible assets and amortisation:

Computer software acquired by the Company, the value of which is not expected to diminish in the foreseeable future, is capitalised and recorded in the Balance sheet as computer software at cost of acquisition less accumulated amortisation and accumulated impairment losses.

Computer software is amortised on straight line basis over a period of five years.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

d. Impairment of assets

i. Impairment of financial assets

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost.

At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit impaired. A financial asset is credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. The Company measures loss allowances at an amount equal to lifetime expected credit losses.

The Company evaluates the collectability of the financial assets on an on-going basis and write-off the financial assets when they are deemed to be uncollectible.

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

ii. Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

e. Investments

Investment in subsidiaries, joint venture and associates

Investment in subsidiaries, joint venture and associates is carried at cost in the financial statements.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

f. Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Post-employment benefit

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in statement of profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payment is available.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other comprehensive income (OCI). The Company determines the net interest expense/ (income) on the net defined benefit liability/ (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability/ (asset), taking into account any changes in the net defined benefit liability/ (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

f. Employee benefits (continued)

ii. Post-employment benefit (continued)

Defined benefit plans (continued)

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Compensated absences

Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short-term employee benefit and the accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

g. Revenue recognition

The Company's revenue from medical and healthcare services comprises of income from hospital services and sale of pharmacy items.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services.

Income from hospital services is recognised as revenue when the related services are rendered unless significant future uncertainties exist. Revenue is also recognised in relation to the services rendered, to the patients who are undergoing treatment/ observation on the balance sheet date to the extent of services rendered. In determining the transaction price for the hospital services, the Company considers the effects of variable consideration, the existence of significant financing components, noncash consideration, and consideration payable to the customer (if any). Income is recognised net of discounts and concessions given to the patients.

Contract assets represents value to the extent of medical and healthcare services rendered to the patients who are undergoing treatment/ observation on the balance sheet date and is not billed as at the balance sheet date.

Revenue from sale of pharmacy and sale of food and beverages is recognised when it transfers control over a good or service to the customer, generally on delivery and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection.

Income from interest on deposits with banks and corporates is recognised on the time proportionate basis taking into account the amounts invested and rate of interest.

Medical service fee is recognised when the related services are rendered unless significant future uncertainties exist.

Dividend income is recognised when the right to receive payment is established.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

h. Leases

Policy applicable from 1 April 2019

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company uses the definition of a lease in Ind AS 116. This policy is applied to contracts entered into, or changed, on or after 1 April 2019. At inception or on reassessment of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices. However, for the leases of land and buildings in which it is a lessee, the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases of machinery that have a lease term of 12 months or less and leases of low-value assets.

Policy applicable before 1 April 2019

Assets acquired under leases other than finance leases are classified as operating leases. The total lease rentals in respect of an asset taken on operating lease are generally recognized as an expense in the Statement of Profit and Loss on a straight line basis over the term of lease unless such payments are structured to increase in line with the expected general inflation to compensate for the lessor's expected inflationary cost increases.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

i. Income-tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Current tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction.
- temporary differences related to investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

Deferred tax assets recognised or unrecognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Minimum Alternate Tax (MAT)

MAT under the provisions of the Income-tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exist

j. Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

k. Provisions

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to a provision is presented in statement of profit and loss, net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Onerous Contracts

A contract is considered to be onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Company recognises any impairment loss on the assets associated with that contract.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

l. Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the standalone financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

m. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

n. Foreign currencies

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

o. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing activities and financing activities of the Company are segregated.

Rainbow Children's Medicare Private limited
Notes to standalone financial statements

1. Significant accounting policies (continued)

p. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Where bank overdrafts/ cash credits which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

q. Assets held for sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all the following criteria are met: (i) decision has been made to sell. (ii) the assets are available for immediate sale in its present condition. (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as 'held for sale' are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

r. Recent accounting pronouncements:

Ministry of Corporate Affairs ('MCA') notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from 1 April 2020.

Note:

(i) The Company vide sale agreement dated 3 September 2010 was allotted 1 acre of land by Andhra Pradesh Industrial Infrastructure Corporation Limited ("APIIC") for setting up a children hospital at Health city, Chinagadili, Vishakhapatnam to facilitate socio economic development within 2 years from the date of possession of land i.e by October 2012. The Company had paid an amount of Rs. 3.09 towards acquisition of the said land and incurred an additional amount of Rs. 0.22 towards other incidental charges. As per the Clause 8(e) of the land agreement entered with APIIC, the construction of proposed hospital was required to be completed within 2 years from the date of taking the possession of the land, otherwise the land will need to be returned back to APIIC. The Company had filed an application with APIIC seeking extension of the timelines for development of the Project based on indicative plan till August 2014 vide letter dated 17 August 2012. APIIC had considered the request and granted extension till the said date upon payment of condonation fee which was paid by the Company and timeline was extended upto August 2014. The Company failed to meet the revised timelines and consequently, APIIC had issued a cancellation of allotment order on 24 March 2015. The Company had submitted detailed reasons to APIIC for the delay in completion of the project and applied for revoking of the cancellation order. On 23 July 2016, APIIC had granted approval for extension of time upto December 2018. APIIC vide its letter dated 15 November 2018 has issued a show cause notice to the Company seeking explanation as to why the allotment shall not be cancelled for non implementation of the proposed project. On 13 December 2018, the Company has responded to APIIC explaining the status of the project and seeking further extension by 24 months. During the year, the Company has paid Rs.0.16 as condonation fee and has received extension from APIIC upto 30 November 2019. The Company thereafter is regular in submitting the project status to APIIC. While the Agreement for Sale between APIIC and the Company had been executed on 3 September 2010. The final sale deed will be issued after commencement of regular commercial production. On this land, the Company has incurred capital costs amounting to Rs. 30.26 as at 31 March 2020 for the construction of the hospital and expects to commence the commercial operations during the year ended 31 March 2021.

(ii) During the previous year ended 31 March 2019, the Company had transferred its right to use the leasehold premises situated at Road no. 10 Banjara Hills, Hyderabad in favour of Rainbow Speciality Hospitals Private Limited (a subsidiary company). Accordingly, leasehold assets aggregating to Rs.0.79 (Gross block: Rs 1.64; Accumulated depreciation: Rs 0.85) were transferred to Rainbow Speciality Hospitals Private Limited. The Company had accordingly classified these assets as "Assets held for sale". These assets were measured at lower of their carrying amount and fair value less cost to sell as at 31 March 2019. During the year, these assets have been sold by the Company.

(iii) Delhi Development authority (DDA) has granted 5,500 square meters of land on perpetual lease to Madhukar Multispeciality Hospital Research Center (MMHRC) in Malviyanagar (Delhi) via lease deed dated 16 September 2005. MMHRC has constructed a hospital building on this land with all infrastructure and services and 50% of the space was subject to the Company to operate and render healthcare services. DDA vide its letter dated 28 January 2019 to MMHRC has restricted subletting to 25% instead of earlier 50% and accordingly the Company and MMHRC has executed an amended the sub lease agreement dated 27 March 2019 which is effective from 1 April 2019. As at 31 March 2020, leasehold improvements and medical equipments include Rs 10.18 and 12.69 respectively in respect of this unit. Pursuant to the revised scope of work and rental arrangements, Management is in the process of agreeing on the future course of action in respect of these assets and believes that no adjustment is required to the carrying value of these assets.

(iv) Refer note 2.47 for details of assets pledged as security.

b) Rights, preferences and restrictions attached

i) Equity shares :

The Company has a single class of equity shares of par value Rs. 10 each, fully paid up. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time subject to payment of dividend to preference shareholders. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

Rainbow Children's Medicare Private Limited**Notes to standalone financial statements**

(All amounts are in crores of Indian Rupees, except share data and unless otherwise stated)

2.13 Share capital (continued)**b) Rights, preferences and restrictions attached (continued)****ii) Series A CCPS:**

On 13 August 2013, the Company had allotted 1,146,771 Series A CCPS of Rs. 48 each, fully paid-up vide agreement dated 02 August 2013 ('the agreement') entered with CDC Group Plc. As per the agreement, at the discretion of the Series A CCPS holders, each Series A CCPS is convertible into one equity share of Rs 10 each, fully paid, at any time before the end of 18th year from the date of its allotment. In case the Series A CCPS holders do not opt for conversion, they shall be converted into 1,146,771 equity shares of Rs. 10 each, fully paid up at the end of 18th year from the date of its allotment.

The holder of this Series A CCPS are entitled to non-cumulative dividend of 0.0001%. However, in the event the Company declares any dividend on equity shares, then in addition to payment of preference dividend, the holders of Series A CCPS shall also be entitled to receive such dividend in respect of the Series A CCPS as is equivalent to the extent to which the equity shares resulting from the conversion of the Series A CCPS would have been entitled to receive such dividend.

The holders of the Series A CCPS shall be entitled to voting rights to the same extent as if they were equity share holders in respect of the number of equity shares into which the Series A CCPS are convertible. In the event of liquidation, holder of Series A CCPS has a preferential right over equity shareholders to be repaid to the extent of capital paid-up. Any surplus amount shall be distributed among all the shareholders including the Series A CCPS holder in proportion to their shareholding.

iii) Series B CCPS:

On 04 February 2016, the Company had allotted 1,133,309 Series B CCPS of Rs. 48 each, fully paid up vide agreement dated 24 December 2015 ('the Series B agreement') entered with CDC India Opportunities Limited. As per the Series B agreement, at the discretion of the Series B CCPS holders, each Series B CCPS is convertible into one equity share of Rs 10 each, fully paid-up, at any time before the end of 18th year from the date of its allotment. In case the Series B CCPS holders do not opt for conversion, they shall be converted into 1,133,309 equity shares of Rs. 10 each, fully paid-up at the end of 18th year from the date of its allotment.

The holder of this Series B CCPS are entitled to non-cumulative dividend of 0.0001%. However, in the event the Company declares any dividend on equity shares, then in addition to payment of preference dividend, the holders of Series B CCPS shall also be entitled to receive such dividend in respect of the Series B CCPS as is equivalent to the extent to which the equity shares resulting from the conversion of the Series B CCPS would have been entitled to receive such dividend.

The holders of the Series B CCPS shall be entitled to voting rights to the same extent as if they were equity share holders in respect of the number of equity shares into which the Series B CCPS are convertible. In the event of liquidation, holder of Series B CCPS has a preferential right over equity shareholders to be repaid to the extent of capital paid-up. Any surplus amount shall be distributed among all the shareholders including the Series B CCPS holder in proportion to their shareholding.

c) Particulars of shareholders holding more than 5% shares of a class of shares:

Securities premium reserve

Securities premium reserve is used to record the premium received on issue of shares. It is utilised in accordance with the provisions of the Companies Act, 2013.

General reserve

The general reserve is used time to time to transfer profits from retained earnings for appropriation purposes. There is no policy of regular transfer. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to standalone statement of profit or loss.

Debtore redemption reserve

The Company had issued non-convertible debentures. As per the provisions of Section 71(4) of the Act and Sub-Rule 7 of Rule 18 of the Companies (Share Capital and Debentures) Rules, 2014, the Company is required to create debtore redemption reserve out of the profits of the Company available for payment of dividend to its shareholders.

Other comprehensive income

Remeasurements of defined benefit plans comprises of actuarial gains and losses.

Retained earnings

The amount that can be distributed by the Company as dividends to its equity and preference shareholders.

Dividend

The Company has paid the final dividend of Rs. 1 per equity and preference share pertaining to financial year 2018-2019 (Previous year : Rs.1 pertaining to financial year 2017-2018) which were proposed by the directors and approved at the annual general meeting of the respective years. During the year, the Company has declared an interim dividend of Rs. 2 per equity share and preference share (Previous year : Rs. Nil). Dividends would attract dividend distribution tax when declared or paid.

Rainbow Children's Medicare Private Limited

Notes to standalone financial statements

(All amounts are in crores of Indian Rupees, except share data and unless otherwise stated)

	As at 31 March 2020	As at 31 March 2019
2.15 Borrowings (non-current)		
Secured		
(a) From banks (at amortised cost)		
vehicle loans (refer note A below)	1.39	0.57
(b) From others (at amortised cost)		
500 (31 March 2019: 500) 9.5% redeemable non-convertible debentures (NCD) of Rs. 1,000,000 each (secured) (refer note B below)	44.42	49.16
	45.81	49.73

A. Vehicle loans from banks represents loans taken from HDFC Bank Limited amounting to Rs. 1.39 (31 March 2019: Rs. 0.57) disclosed under long-term borrowings and Rs. 0.44 (31 March 2019: Rs. 0.72) disclosed under current maturities of long-term debts are secured by hypothecation of vehicles financed by respective banks and carry interest rates in the range of 8.17% p.a. to 11.20% p.a. (31 March 2019: 8.17% p.a. to 11.20% p.a.) These loans are repayable in equated monthly installments with the last installment falling due on March 2025.

B. The Company had entered into a debenture trust deed agreement with CDC Emerging Markets Limited for issue of 1,000 NCD with a face value of Rs. 1,000,000 each. The following is the status of debentures allotted:

- 10 NCD allotted on 5 October 2016 aggregating to Rs. 1
- 90 NCD allotted on 9 February 2017 aggregating to Rs. 9
- 400 NCD allotted on 4 July 2018 aggregating to Rs. 40.

These NCD's are secured by first ranking fixed charge over all fixed assets (including real estate and mortgage over fixed assets) of the issuer (pari passu with existing secured creditors in relation to existing assets; in priority to existing secured creditors with respect to new assets) and first ranking floating charge over all current assets, including bank assets and receivables of the Company.

The NCD's are redeemable at its face value with an option of early prepayment only after 3 years from the date of issue. The repayment schedule is as under:

Year 0 to 4 - Nil

Year 4 and 5 - 10% of the amount borrowed

Year 6 and 7 - 25% of the amount borrowed

Year 8 - 30% of the amount borrowed

The final redemption date is 5 August 2024. These NCD's carries an interest rate of 9.50% p.a payable in every six month (i.e 4 April and 4 October of every year). Interest rate has been revised from 10.50% p.a to 9.50% p.a. with effect from 5 April 2018 vide amended agreement dated 10 April 2018. Subsequent to year end, the interest due for the six months as at 31 March 2020 which is payable on 04 April 2020 has been deferred to 03 July 2020 vide agreement dated 03 April 2020.

*The Taxation Laws (Amendment) Ordinance, 2019 ('Ordinance') was promulgated on 20 September 2019. The Ordinance has amended the Income Tax Act, 1961 and Finance Act, 2019 to inter-alia provide an option to domestic companies to pay income tax at a reduced tax of 22 percent plus applicable surcharge and cess with certain conditions to be met. The Company will opt for this amendment in financial year 2020-2021 and accordingly deferred tax is calculated @ 22 plus applicable surcharge and cess for the year ended 31 March 2020.

2.30 Tax expenses, net (continued)

b. The following table provides the details of income tax assets and income tax liabilities:
Income tax assets, net
Current tax liabilities, net
Net current income tax (liabilities)/ assets at the end of the year

	As at 31 March 2020	As at 31 March 2019
Income tax assets, net	1.81	1.98
Current tax liabilities, net	(3.59)	(5.18)
Net current income tax (liabilities)/ assets at the end of the year	(1.78)	(3.20)

c. The gross movement in the net income tax (liabilities)/ assets is as follows:

Net income tax assets at the beginning of the year	(1.20)	2.26
Income tax paid	19.79	14.73
MAT credit utilisation	22.96	-
Income tax expense for the year	(42.96)	(17.93)
Income tax pertaining to earlier years	(0.41)	(0.05)
Income tax expense on other comprehensive income	0.04	(0.20)
Net income tax (liabilities)/ assets at the end of the year	(1.78)	(3.20)

d. Recognition of deferred tax assets and liabilities

(i) Deferred tax assets and liabilities are attributable to the following	As at 31 March 2020	As at 31 March 2019
Deferred tax liability		
Expenses of depreciation on the property, plant and equipment under income-tax, 1961 over depreciation under Companies Act.	30.72	25.31
Right-of-use of Asset	86.65	-
Total deferred tax liability	117.37	25.31
Deferred tax asset		
Provision for impairment on receivables	2.43	1.61
Provision for employee benefits	1.90	2.17
Provision for bonus	2.29	2.95
Lease liabilities (including impact of transition to Ind AS amounting to Rs.14.20)	(04.22)	-
Others	1.18	-
Minimum alternate tax credit entitlement	-	16.88
Total deferred tax asset	112.03	23.61
Net deferred tax liabilities	5.34	1.70

(ii) Movement in temporary differences

Particulars	Balance as at 1 April 2019	Recognised in retained earnings	Minimum alternate tax credit utilised	Recognised in standalone statement of profit or loss during the year	Recognised in OCI during the year	Balance as at 31 March 2020
Provision for impairment on receivables	1.61	-	-	0.82	-	2.43
Provision for employee benefits	2.17	-	-	(0.31)	0.04	1.90
Provision for bonus	2.95	-	-	(0.65)	-	2.29
Lease liabilities (including impact of transition to Ind AS amounting to Rs.14.20)	-	14.20	-	90.03	-	104.23
Others	-	-	-	1.18	-	1.18
Minimum alternate tax credit entitlement*	16.88	-	(22.96)	6.08	-	-
Right-of-use of Asset	-	-	-	(86.65)	-	(86.65)
Expenses of depreciation on the property, plant and equipment under income-tax, 1961 over depreciation under Companies Act.	(25.31)	-	-	(5.41)	-	(30.72)
	(1.70)	14.20	(22.96)	5.08	0.04	(5.24)

* Minimum alternate tax credit entitlement recognised in the standalone statement of profit and loss of Rs.6.08 represents credit for earlier year.

Particulars	Balance as at 1 April 2018	Recognised in retained earnings	Minimum alternate tax credit utilised	Recognised in standalone statement of profit or loss during the year	Recognised in OCI during the year	Balance as at 31 March 2019
Provision for impairment on receivables	0.68	-	-	0.93	-	1.61
Provision for employee benefits	1.95	-	-	0.22	0.20	2.17
Provision for bonus	0.27	-	-	2.68	-	2.95
Unabsorbed depreciation losses carried forward**	1.85	-	-	(1.85)	-	-
Minimum alternate tax credit entitlement (including Rs.13.88 pertaining to prior periods)***	-	-	-	14.88	-	16.88
Expenses of depreciation on the property, plant and equipment under income-tax, 1961 over depreciation under Companies Act.	(4.75)	-	-	(20.56)	-	(25.31)
	-	-	-	(1.70)	0.20	(1.70)

** During the previous year, deferred tax asset on account of unabsorbed carried forward depreciation losses has been recognised only to the extent of deferred tax liability because it is not probable that future taxable profit will be available against which the Company can use the benefit therefrom.

*** Up to 31 March 2018, considering the unabsorbed business losses, MAT credit entitlement aggregating to INR 13.88 crores was not recognised on a prudent basis as the Management believed that the Company may not be able to utilise MAT credit entitlement within the stipulated period. However during the previous year, the Company has absorbed its entire accumulated losses and accordingly MAT credit entitlement aggregating to Rs. 16.88 (including Rs.13.88 relating to prior period) has been recognised considering that it will be utilised in the subsequent years. During the year, the entire MAT credit entitlement has been utilised.

Rainbow Children's Medicare Private Limited**Notes to standalone financial statements**

(All amounts are in crores of Indian Rupees, except share data and unless otherwise stated)

2.31 Contingent liabilities and commitments**A) Contingent liabilities**

Particulars	As at	As at
	31 March 2020	31 March 2019
(i) Demands under dispute		
- Income-tax matters under dispute	0.92	0.28
- Value added tax and Central sales tax demand under dispute	0.39	0.60
- Luxury tax demand under dispute	1.86	1.86
(ii) Claims against the Company not acknowledged as debt	9.42	7.12

iii) The Hon'ble Supreme Court of India ("SC") by their order dated 28 February 2019, in the case of Surya Roshani Limited & others v/s EPFO, set out the principles based on which allowances paid to the employees should be identified for inclusion in basic wages for the purposes of computation of Provident Fund contribution. The Company has started complying with this prospectively from the month of March 2019. In respect of the past period there are significant implementation and interpretative challenges that the management is facing and is awaiting for clarity to emerge in this regard, pending which, this matter has been disclosed under the Contingent liability in the standalone financial statements. The impact of the same is not ascertainable.

The Company is subject to legal proceedings and claims, which have arisen in the ordinary course of business including litigation before tax authorities and including matters mentioned above. The uncertainties and possible reimbursements are dependent on the outcome of the different legal processes which have been invoked by the claimants or the Company, as the case may be, and therefore cannot be predicted accurately. The Company engages reputed professional advisors to protect its interests and has been advised that it has strong legal positions against such disputes. The Management believes that it has a reasonable case in its defense of the proceedings and accordingly no further provision is required.

B) Commitments**i) Capital commitments**

Particulars	As at	As at
	31 March 2020	31 March 2019
- Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances).	29.67	18.86

ii) Other commitments

a) Dividend on CCPS not provided for (including taxes) aggregating to Rs.0.00 (31 March 2019: Rs.0.00)

2.32 The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

2.33 Employee benefits

A. The employee benefit schemes are as under:

i) Provident fund and Employee state insurance (ESI):

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident fund and ESI, which is a defined contribution plan. The contribution are charged to the Statement of profit and loss as they accrue. The amount recognised as an expense towards contribution to Provident fund and ESI for the year amount to Rs. 3.57 and Rs. 1.13 respectively (31 March 2019: Rs. 3.44 and Rs. 1.44 respectively).

ii) Compensated absences:

The accrual for unutilised leave is determined for the entire available leave balance standing to the credit of the employees at the year end limited to 30 days. The value of such leave balances that are eligible for carry forward, is determined by an actuarial valuation as at the end of the year and is charged to the standalone statement of profit and loss.

iii) Gratuity

The Company provides its employees with benefits under a defined benefit plan, referred to as the "Gratuity Plan". The Gratuity Plan entitles an employee, who has rendered at least five years of continuous service, to receive 15 days' salary for each year of completed service (service of six months and above is rounded off as one year) at the time of retirement/exit, restricted to a sum of Rs. 0.20

The following table sets out the status of the unfunded gratuity plan as required under Ind AS 19 "Employee Benefits" prescribed by Companies (Accounting Standards) Rules, 2006, ('the Rules'):

Reconciliation of opening and closing balances of the present value of the defined benefit obligation:

Particulars	As at	
	31 March 2020	31 March 2019
Opening defined benefit obligation	3.96	3.36
Service cost	1.37	1.18
Interest cost	0.30	0.26
Actuarial gain	0.13	(0.57)
Benefits paid	(0.73)	(0.27)
Benefit obligation at the end of the year	5.03	3.96
Short-term provision (Refer note 2.20)	0.17	0.19
Long-term provision (Refer note 2.16)	4.86	3.76

Gratuity expense recognised in the statement of profit and loss

Particulars	For the year ended	
	31 March 2020	31 March 2019
Current service cost	1.37	1.18
Interest on defined benefit obligation	0.30	0.26
Net actuarial gain recognised in the year	0.13	(0.57)
Net gratuity expenses	1.80	0.87

Re-measurements recognised in other comprehensive income

Particulars	For the year ended	
	31 March 2020	31 March 2019
Actuarial gain on defined benefit obligation	0.13	(0.57)
Return on plan assets excluding interest income	-	-
Actuarial gain recognised in other comprehensive income	0.13	(0.57)

Summary of actuarial assumptions

Financial assumptions at balance sheet date:

Particulars	For the year ended	
	31 March 2020	31 March 2019
Discount rate	6.85% p.a	7.65% p.a
Salary escalation rate	8% p.a	8% p.a
Attrition rate		
Age 21 to 30	10% p.a	10% p.a
Age 31 to 40	5% p.a	5% p.a
Age 41 to 50	3% p.a	3% p.a
51 and above	2% p.a	2% p.a
Retirement Age	58 years	58 years

Maturity profile of defined benefit obligation

Particulars	As at	As at
	31 March 2020	31 March 2019
1st following year	0.17	0.19
Year 2 to 5	0.96	0.83
Year 6 to 9	1.18	0.98
For 10 years and above	13.22	11.77

Discount rate: The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Salary escalation rate: The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions would have affected the defined benefit obligation by the amounts shown below:

Particulars	For the year ended 31 March 2020		For the year ended 31 March 2019	
	Increase	Decrease	Increase	Decrease
Discount rate (50 bps movement)	4.70	5.38	3.71	4.22
Salary escalation rate (50 bps movement)	5.37	4.71	4.23	3.72

2.35 Leases

A Transition Note

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 leases and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

Effective 01 April 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 01 April 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended 31 March 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended 31 March 2019.

B Following are the changes in the carrying values of right of use assets for the year ended 31 March 2020:

Particulars	Category of ROU Assets
	Premises
Balance as at 1 April 2019	344.34
Prepayments	-
Additions	20.97
Deletions	-
Balance as at 31 March 2020	365.31
Accumulated amortisation	
Balance as at 1 April 2019	-
Depreciation charge for the year	25.00
Impairment loss	-
Deletions	-
Balance as at 31 March 2020	25.00
Carrying amounts	
Balance as at 31 March 2020	340.31
As at 1 April 2019	344.34

*The aggregate depreciation expense for the year on ROU assets is included under depreciation and amortization expense in the standalone statement of profit and loss.

C The following is the rental expense recorded for short-term leases, variable leases and low value leases for the year ended 31 March 2020

Particulars	For the year ended 31 March 2020
Short-term lease expense	1.62
Low value lease expense	-
Variable lease expense	-
Total	1.62

D Following are the changes in the lease liabilities for the year ended 31 March 2020:

Particulars	Lease liabilities
Balance as at 1 April 2019	394.12
Reclassified on account of adoption of Ind AS 116	-
Additions	19.56
Finance cost accrued during the period	37.89
Deletions	-
Payment of lease liabilities	(37.47)
Balance as at 31 March 2020	414.10
Non-current lease liabilities	403.38
Current lease liabilities	10.72

Rainbow Children's Medicare Private Limited

Notes to standalone financial statements

(All amounts are in crores of Indian Rupees, except share data and unless otherwise stated)

E The following is the cash outflow on leases during the year ended 31 March 2020:

Particulars	For the year ended 31 March 2020
Payment of lease liabilities	2.84
Interest on lease liabilities	34.63
Short-term lease expense	1.62
Total cash outflow on leases	39.09

F The table below provides details regarding the contractual maturities of lease liabilities as at 31 March 2020 on an undiscounted basis:

Particulars	As at 31 March 2020
Less than 1 year	40.73
1 to 5 years	178.23
Over 5 years	659.44

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

2.36 Segment reporting

The Company is engaged in the business of rendering medical and healthcare services.

Ind AS 108 "Operating Segment" ("IndAS108") establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. Based on the "Management approach" as defined in Ind AS 108, Operating segments are to be reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker(CODM) i.e the Board of Directors. The CODM evaluates the Company's performance and allocates resources on overall basis. The Company's sole operating segment is therefore 'Medical and Healthcare Services'. Accordingly, there are no additional disclosures to be provided under Ind AS 108, other than those already provided in the financial statements.

Further the business operation of the Company are concentrated in India, and hence, the Company is considered to operate only in one geographical segment.

2.37 Professional and consultancy expenses includes auditors' remuneration (excluding GST)

Power and fuel	0.02	0.45
Other general expenses	0.26	0.76
Total (B)	4.42	5.74
Finance cost (C)	1.48	1.48
Grand total (A+B+C)	6.70	10.21

2.43 Financial risk management**Risk management framework**

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's management risk policy is set by the Board. The Company's activities expose it to a variety of financial risks : creditrisk, liquidity risk and market risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. A summary of the risks have been given below.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans given. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivables. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counter party credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Trade receivables and unbilled revenue are typically unsecured and are derived from revenue earned from customers primarily located in India. The Company has a process in place to monitor outstanding receivables on a monthly basis. In monitoring customer credit risk, customers are grouped according to their credit characteristics, including government entities, insurance companies, corporates, individual and others. The default in collection as a percentage to total receivable is low.

The Company's exposure to credit risk for trade and other receivables by category is as follows:

	Carrying amount	
	As at 31 March 2020	As at 31 March 2019
Insurance companies and Third-Party Administrator (TPA)	18.75	11.18
Central and state government (including public sector undertakings)	9.83	7.13
Corporates and individual patients	0.63	0.60
Others	17.00	14.27
	46.21	33.18

Movement in the allowance for doubtful debts:

	As at 31 March 2020	As at 31 March 2019
Opening balance	4.62	1.93
Add: provided/ (utilised) during the year	5.05	2.69
Net remeasurement of provision	9.67	4.62

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, that it will always have sufficient liquidity to meet its liabilities when due. The Company's Management is responsible for liquidity, funding as well as settlement management.

The Company aims to maintain the level of its cash and cash equivalents and other highly marketable investments at an amount in excess of expected cash outflows on financial liabilities (other than trade payables) over the next six months. The Company also monitors the level of expected cash inflows on trade receivables and loans together with expected cash outflows on trade payables and other financial liabilities.

Following are the financial assets at the reporting date.

Particulars	As at 31 March 2020	As at 31 March 2019
Trade receivables	36.54	28.56
Cash and cash equivalents	5.99	4.97
Other bank balances	88.32	64.49
Investments	24.18	4.63
Other financial assets	51.30	43.98
Loans	28.63	24.79
	234.96	171.42

Following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

As at 31 March 2020

Particulars	Within 12 months	1-5 Years	More than five years	Total carrying amount
Borrowings - long-term	5.33	5.83	39.98	51.14
Borrowings - short-term	4.21	-	-	4.21
Trade payables	42.42	-	-	42.42
Other financial liabilities (excluding borrowings and trade payables)	47.95	-	-	47.95
	99.91	5.83	39.98	145.72

As at 31 March 2019

Particulars	Within 12 months	1-5 Years	More than five years	Total carrying amount
Borrowings - long-term	0.72	5.49	44.25	50.46
Trade payables	33.59	-	-	33.59
Other financial liabilities (excluding borrowings and trade payables)	35.42	-	-	35.42
	69.73	5.49	44.25	119.47

2.43 Financial risk management (continued)**Market risk**

Market risk is the risk that changes in market prices such as foreign exchange rates and interest rates will effect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Interest risk

Interest rate risk primarily arises from the Company's long-term borrowings and short-term investments with banks.

The interest rate profile of the Company's interest bearing financial instruments is as follows:

Particulars	31-Mar-20	31-Mar-19
Fixed rate instruments		
Financial assets (current)	138.86	89.28
Financial liabilities	55.35	50.46

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The majority of the Company's assets are located in India and Indian rupee being the functional currency for the Company. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to operating activities.

The Company has import of assets from Europe (EUR) and United States of America (USD) and hence is exposed to foreign exchange risk for making payment for operations. The Company's foreign currency payables and receivables are unhedged.

Exposure to currency risk

The summary quantitative data about the Company's gross exposure to currency risk is as follows:

Particulars	Currency	As at 31 March 2020		As at 31 March 2019	
		Amount in foreign currency	Amount in functional currency	Amount in foreign currency	Amount in functional currency
Capital creditors	EUR	3,198	0.03	-	-
	USD	-	-	10,600	0.07
Capital advance	USD	2,235	0.02	-	-

Sensitivity analysis:

A reasonably possible strengthening (weakening) of the INR, against USD would have affected the measurement of financial instruments denominated in foreign currency and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecasts sales and purchases.

	Profit and loss		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
31-Mar-20				
EUR (5% movement)	0.001	(0.001)	0.001	(0.001)
USD (5% movement)	0.001	(0.001)	0.001	(0.001)
31-Mar-19				
USD (5% movement)	(0.004)	0.004	(0.002)	0.002

Rainbow Children's Medicare Private Limited
Notes to standalone financial statements
(All amounts are in crores of Indian Rupees, except share data and unless otherwise stated)

2.44 Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital, as well as the level of dividends to equity shareholders. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to all its shareholders. For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves and debt includes maturities of finance lease obligations and bank overdraft.

The Company's adjusted debt to equity ratio is as follows:

Particulars	31 March 2020	31 March 2019
Total debt	55.35	50.46
Total equity	425.62	413.76
Debt to equity ratio	0.13	0.12

2.46 Revenue from contracts with customers**Disaggregated revenue information**

Set out below is the disaggregation of the Company's revenue from contracts with customers:

Particulars	For the year ended 31 March 2020	For the year ended 31 March 2019
Income from hospital services	573.15	456.57
Income from pharmacy	93.31	69.37
Total revenue from contracts with customers	666.46	525.94
India	666.46	525.94
Outside India	-	-
Timing of revenue recognition		
Services transferred over time	452.15	362.86
Services transferred at a point of time	121.00	93.71
Goods transferred at a point of time	93.31	69.37
Total revenue from contracts with customers	666.46	525.94

No single customer represents 10% or more of the Company's total revenue during the year ended 31 March 2020 and 31 March 2019.

Reconciliation of revenue recognised with the contracted price is as follows:

Particulars	For the year ended 31 March 2020	For the year ended 31 March 2019
Contracted price	580.50	462.16
Reduction towards variable consideration components*	7.35	5.59
Revenue recognised	573.15	456.57

*Variable consideration components include discounts and disallowances on the contract price.

Contract balances

Particulars	As at 31 March 2020	As at 31 March 2019
Trade receivables	36.54	28.56
Contract assets (unbilled revenue)	7.65	6.40
Contract liabilities (advance from patients)	4.98	4.33

Trade receivables are non-interest bearing and are generally on terms of 30 to 90 days.

Contract assets are initially recognised for revenue earned from hospital services as receipt of consideration is conditional on completion of treatment. Upon completion of treatment, the amounts recognised as contract assets are reclassified to trade receivables.

Contract liabilities include advances received from patients for hospital services pending final billing.

Performance Obligation

The Company provides healthcare services to patients. In case of hospital services, the performance obligation is satisfied over time. Revenue is recognised as and when the services are performed. In case of sale of pharmacy and sale of food and beverages, the performance obligation is satisfied on at a point of time.

	(ii) In other company (at fair value)		
	Vamana Solar Private Limited	2.60	2.60
	2,600 shares of Rs.10 each, fully paid up (31 March 2019: 2,600 shares)		
2.29	Other expenses		
	Foreign exchange loss, net	-	1.55

2.49 Impact of COVID-19:

In view of lockdown due to the outbreak of COVID pandemic, the operations of the Company were impacted from second half of March 2020. The duration of this lockdown is uncertain at this point in time. However, the Company's operations are being managed in compliance with the directives issued by the Government authorities. While the current situation has impacted the performance of the Company, the Management continues to closely monitor the situation and expects that the operations will be back to normal in due course of time. Accordingly, the company continues to prepare the standalone financial statements on a going concern basis. As per the Management's current assessment, no significant impact is expected on the carrying amounts of inventories, tangible assets, intangible assets, trade receivables, investments and other financial assets and it continues to monitor changes in future economic conditions. The eventual outcome of the impact of this global health pandemic may be different from those estimated as on the date of approval of these standalone financial statements.
